AMA

Pearls from the depth of the mysterious sea

The name of this collection refers to pearls, specifically the Japanese female pearl divers called Ama. The Ama Collection visually evokes the delicate shells of mussels that produce treasured pearls. Meticulously cut glass of substantial size encases a pearl in its center in the form of a light source providing soft ambient light. The perfectly cut growth lines on the outer shell point to the center of the light, further evoking the unique impression of a pearl.

Design by Václav Mlynář

AMA

Pearls from the depth of the mysterious sea

There are two available construction variations of the mounting that may be preconfigured and determine whether the shell will be opened or closed, evoking real-life pearl mussels. "These lights enable beautiful combinations of opened and closed shells, always creating an original constellation," Václav Mlynář explains. The sophisticated elegance of Ama is further enhanced by color variations of the glass, including ethereal matte shades, clear and bronze tones, as well as a sparkly polished smoke color.

production

Over the course of two days, the glass is heated and gradually melts by its own weight into a prepared conical mold.

Each glass shell is meticulously cutted by in-house developed machines.

Handmade glass attributes

The Ama Collection is made by our in-house developed glassmaking technique. Over the course of two days, the glass is heated and gradually melts by its own weight into a prepared conical mold. Any irregularities in the glass are both proof and a characteristic feature of this unique glassmaking process.

Each piece of Ama collection is then defined by precise cut.

LIGHTING DESCRIPTION

| | |
|-----------------|---|
| Size | dia 445 mm, H 630 mm dia 17,5 inch, H 24,8 inch |
| Cable | black textile braid cable 2,5 m / 98,4 inch |
| Weight | +/- 12 kg / 26,5 lb |
| Glass | lead-free crystal in clear matte, bronze matte and smoke |
| Mounting | black (=aluminium black elox) |
| Canopy color | black (=steel with black powder coating) |
| Protection | IP 20 |
| Nominal voltage | 220-240V / A.C. 50-60 hz (EU) 110-120 V / A.C. 60 Hz (USA) |
| Class | I. EU / I. USA |

LIGHT SOURCE

| | |
|-------------|---|
| Type | LED module 12,6W, 2450lm, 350mA |
| Base | custom LED module |
| Voltage | 220-240V, AC (EU) / 110-120V, AC (USA) |
| Temperature | 2700 K |
| Color index | RA 90+ |
| Dimming | Dimmable with TRIAC, ELV, 0-10V, PUSH, DALI, CASSAMBI |

PACKAGING

| | |
|----------|---|
| Material | Cardboard |
| Size | 800 × 640 × 440 mm 31,5 × 25,2 × 17,3 inch |

Origin: traditionally produced in the Czech Republic
Intellectual property license holder: Bomma Czech Republic (EU)
Represented by BMRC group s.r.o.
